

# THE PREMIERE MOEN<sup>TM</sup> CARTRIDGE EXTRACTOR

## ONA PULLER

### EXTRACT ANY SINGLE MOEN VALVE CARTRIDGE WITH EASE!

There is no pulling necessary, so you don't have to break a sweat - the tool does the work for you.

The ONA Puller now includes the add-on tool for the Posi-Temp.

This tool will remove the 1200 cartridge. Even if the core pulls out, it will extract the sleeve.
